Anecdete of Mr. Douglas. One of the delegates to the national con roution of printers, in session a few days since RICHMENT, Va., June 10, 1860.

The cotton States only will be represented here. The turn-out promises to be small, and there are too sonny guberals for the troops.

The South for once appears to be without teristic of Judge Douglas:

The South for once appears to be without teristic of Judge Douglas:

there are too many generals for the troops.

The South for coses appears to be without harmony in council, or concert in action.

The appearance now indicates that the second more much is losing force, and that Douglan stock is advancing. All series of states are told about various promises made by the New York delegation. No dependence whatever can be placed on the reports.

The lending point to be determined here is whicher to nominate a candidate, or adjourn to Baltimere. There will be a sharp content over this matter.

Mesure. Yanczy, of Alabama, and Rheit, of South Carolina, are not yet here. Judge Meck, of Alabama, says it is none of the boatness of the Baltimere convention whether delegates are accredited to Richmend, any more than whether they are accredited to a camp meeting.

The following dispatch we also clip from the same paper:

Washington, June 9.—Both Houses of Control on the town section. What should be seen a put-town of the Baltimere convention whether they are accredited to a camp meeting.
